

**Press Release**

**CREATE A FRAGRANCE THAT IS AS UNIQUE AS YOU ARE**

**THE PERFUME STUDIO IS PLEASED TO OFFER YOU THE OPPORTUNITY OF CREATING YOUR VERY OWN FRAGRANCE THAT IS EXCLUSIVE TO YOU.**

**Personalised Perfume Consultations by Bally Mawi**

Indulge your passion for perfume by creating your own unique fragrance. You will be taken on a fascinating journey of perfume discovery by sampling 18 separate perfume blends from which you will build your own individual fragrance. These specially formulated blends are made from thousands of sumptuous ingredients, including night-jasmine from India , spices from the Orient and rich vanilla from France.

For many women perfume can touch our deepest emotions and reflect our true spirit. What we wear and how we wear it says everything about us. The Perfume Studio offer you a consultation either as a one to one or in a small workshop that allows you to take control of the selection process and with our trained staff guiding you to achieve a stunning new scent.

During the consultation you will enjoy sampling each of the exquisite blends reserving your favourites as you progress. The formula is then blended into a perfume bottle of your choice. Not only do you get a unique fragrance, you get to name it too!

We offer a wide range of contemporary and art deco perfume bottles which we decant your perfume into.

An original gift for that special occasion ideal for weddings, special birthdays or as a substitute to chocolates or flowers! Why not give a gift voucher for this truly unique experience.
